Budi Kusuma Sunyoto
Commissioner

As a leading general contractor, PT Anugerah Bendera Cemerlang specializes in the construction of small, medium to large-scale infrastructure projects. From erecting warehouses and factories from the ground up to developing oil and gas facilities and fertilizer manufacturing plants, our expertise extends to handling the installation of any size from small to oversize mechanical equipment. With each endeavor, we strive to provide exceptional services, ensuring the highest standards of quality and professionalism.

Our journey began with a strong commitment to excellence and dedication to our clients' needs. Over the years, we have successfully completed numerous projects, each one contributing to our growth and reputation in the industry. At PT Anugerah Bendera Cemerlang, we recognize the significance of integrated project management. Our approach combines meticulous planning, efficient execution, and meticulous attention to detail, ensuring seamless coordination throughout the entire project lifecycle. We possess the necessary expertise, resources, and experience to oversee every aspect of a project, from its inception to its successful completion. We firmly believe in the power of collaboration. Our team of highly skilled professionals works closely with clients, leveraging their expertise and insights to deliver tailored solutions that align with their specific requirements. By fostering transparent communication, we create a solid foundation for long-lasting partnerships built on trust and mutual success. As we forge ahead, we remain committed to pushing the boundaries of excellence. We strive to exceed expectations, consistently delivering projects of the highest quality within stipulated timelines and budgets. Our unwavering dedication to safety, innovation, and sustainability ensures that our clients receive not only exceptional results but also a positive impact on the environment and communities we operate in.

I would like to express my sincerest appreciation to all our valued clients and partners for their unwavering support and confidence in our abilities. Your trust has been instrumental in our growth and success. Moving forward, we remain committed to realizing your vision, upholding the highest standards of professionalism, and surpassing all expectations. Thank you for being an integral part of our journey.

WHO WE ARE

PT Anugerah Bendera Cemerlang is a general contractor specializing in building infrastructure across a diverse range of industries. Our expertise lies in developing high-quality and professionalism culture that supports the efficient field operational and commencing all of our resources. With strong presence in sectors such as oil and gas, mining, petrochemicals, fertilizers, power plants, process industries and warehousing, we are dedicated to delivering sustainable solutions.

Since our establishment in 2020, PT Anugerah Bendera Cemerlang has consistently operated with excellence. We began our operations from small projects and have grown to become a professionally managed company with a focus on customer satisfaction. Over the years, we have earned a stellar reputation as top general contractor in Indonesia, trusted by esteemed clients such as Pupuk Sriwidjaja, Petrokimia, PT INKA, PT Sentosa Laju Sejahtera and many more. We take pride in our ability to construct some of the nation's most intricate and complex infrastructure within a very tight time line.

At PT Anugerah Bendera Cemerlang, our business is founded on integrated strengths that encompass comprehensive civil engineering, mastery of state-of-the-art technology, efficient procurement, meticulous quality check, and stringent testing procedures. We adhere to the highest quality standards and ensure timely delivery to our customers.

Our management team is committed to excellence and upholds the principles of ethical conduct throughout our operations. We have an independent Quality Control department that provides exceptional inspection services, guaranteeing the highest level of quality throughout the building process. Our experienced and highly qualified personnel work diligently, leveraging our facilities and adhering to national codes and standards. We proudly display our act of professionalism, which serve as a testament to our commitment to quality.

At PT Anugerah Bendera Cemerlang, we are driven by a passion for excellence and a commitment to delivering competitive, qualitative solutions. Our holistic approach, from civil engineering to project construction enables us to provide complete solutions to our valued clients. We continually strive to push the boundaries of innovation and deliver unmatched value to the industries we serve as a general contractor.
